Art Unit: 1712

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bill Lacy on 1/20/06.

The application has been amended as follows:

At page 1 line 7 of the specification after "2002" --- insert now U.S. Patent Number 6,793,592 ---.

In claim 1 line 3 before "glass" insert --- fluoroaluminosilicate ---.

In claim 3 line 1 before "glass" insert --- fluoroaluminosilicate ---.

In claim 3 line 2 before "glass" insert --- fluoroaluminosilicate ---.

In claim 4 line 1 before "glass" insert --- fluoroaluminosilicate ---.

In claim 7 line 1 before "glass" insert --- fluoroaluminosilicate ---.

In claim 7 line 2 before "glass" insert --- fluoroaluminosilicate ---.

In claim 8 line 1 before "glass" insert --- fluoroaluminosilicate ---.

The following is an examiner's statement of reasons for allowance: Dilny '508 (col 2 line 20) suggests aluminosilicate filler in a polyurethane layer of a golf ball, but this would not qualify as an "ionomer". Yamada '794 suggests aluminumsilicate (col 2 line 53) in ionomer covers of golf balls, but would not qualify as fluoroaluminosilicate. No obviousness double patenting is possible over US6793592 because its claims do not call for fatty acids.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Buttner whose telephone number is 571-272-1084. The examiner can normally be reached on 10:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy Gulakowski can be reached on 571-272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
